SCHOOL BUS POLICY – GUIDELINES FOR PARENTS / GUARDIAN

Parents/Guardians are requested to remind children of the behavior expectations of students when travelling on school buses. School bus behavior management guidelines apply on school buses.

Expected Behavior of Students on the Buses

- Sit with seatbelts securely fastened at all times. Seatbelts must not be removed until the bus has come to a complete stop.
- Stay seated until the bus comes to a complete stop.
- Follow the instructions of the Bus Assistants at all times and show courtesy towards the adults and fellow students on the bus.
- Keep hands, arms and heads inside the bus at all times. Keep clear of the emergency exit.
- If a student is carrying a cell phone, it should be kept in their school bag.
- Toys and games are not to be taken out on the bus.
- Refrain from eating and drinking and playing with electronic games.
- Take litter off the bus when leaving.
- Take care of personal belongings and do not leave them on the bus.
- Keep objects inside the bus (do not throw anything out of the windows).
- Use quiet voices.
- Allow the driver to concentrate on driving and not distract by talking to him / her.

The following behavior will NOT be tolerated:

- Use of bad language and / or gestures
- Fighting, any form of bullying or intimidation
- Vandalism

At the discretion of the Bus Assistant, the matter will be referred to the Bus Coordinator:

- On the first offense, student will receive a warning and parents will be notified.
- On the second offense, bus service will be suspended for FIVE school days.
- Repeated offenses will result in the suspension of bus privileges (without refund) at the discretion of the Bus Director.

Others:

- Please be on time to pick up your child at the end of the day.
- Parents are NOT allowed to travel as passengers on the school bus.
- Students are responsible for any damage they caused by paying the cost of repair/replacement.
- Students' safety are the responsibility of parents / guardians while they are waiting for the bus pick up in the morning and after they have been handed over to the parent / guardian at the afternoon drop off point.

Payment for School Bus Fee

Once student has signed up for the service, it constitutes a continuous 10.5-month contract of the bus service for the entire academic year. Bus fee must be settled in advance according to the given time period. Failure of full payment may result in suspension of bus service until payment is fully received. The bus fee shall be paid in five bi-monthly instalments (in Aug, Nov, Jan, Mar, May) for each school calendar year (Aug to June). First payment includes bus fee for Aug (1/2 month fee), Sept & Oct, and bi-monthly thereafter. In case of school closure during normal school calendar month announced by EDB (under any circumstances), no refund will be made and Sang Kee is entitled to charge 50% of monthly fee for each month of school closure. All prepaid and unutilized school bus fee, if any, will be carried forward for the next payment.

Furthermore, our company had developed a standard policy for special school bus fee arrangement during face –to-face class suspension period due to epidemic such as Covid-19 announced by the Education Bureau:

No. of school bus service in a month	School bus fee
0 – 5 days	50%
6-9 days	70%
10 or above days	100%

The discounted school bus fees will be used for paying the salary to our bus mothers and drivers, in order to keep the school bus team readily for service once school resumes.

Cancellation Policy

Predictable and consistent bus payments are vital to retaining responsible bus drivers and mothers to serve the students. Therefore, bus service cancellation due to school break / school closures (due to whatever reason) is strongly discouraged. For cancellation, parents are required to inform the bus company in written notice ONE full month in advance from the effective date of termination of service. As bus fees is calculated on a monthly basis and paid fee will not be refund (except withdrawal from the rest of whole academic year). Once cancelled, it means the bus service of that month will be cancelled. Moreover, the pre-paid and unutilized month of that bi-monthly installment, if any, will be refunded.

Re-joining the Service

Re-joining the service after the cancellation within the academic year is possible, with rejoining date on next month. Also this is subject to seat availability (due to re-routing/ combination of routes).

Communication

Parents are advised to contact the bus company directly for any matters regarding the school bus service. The bus company will notify parents for any changes of bus schedule via email or by phone.
